

Congressman Steve King (R-IA) this week introduced legislation that will completely repeal Obamacare. Text of his legislation (H.R. 4972) follows:

*Effective as of the enactment of the Patient Protection and Affordable Care Act, such Act is repealed, and the provisions of law amended or repealed by such Act are restored or revived as if such Act had not been enacted.*

**“Today the work begins to repeal Obamacare and restore the principles of liberty that made America a great nation,” King said. “The American people must take their country back by methodically eliminating every vestige of creeping socialism, including socialized medicine. The Pelosi Democrats will pay a price for their overreach. This fight is far from over.”**
